

A word from Dr. John C. Cranham and his staff~

We are committed to providing you with the highest level of patient care available. We accomplish this through our knowledge and capabilities which are both exceptional. Our entire team sincerely enjoys taking care of our patients and helping them achieve and maintain the smile they have always dreamed of having.

Dr. Cranham graduated from the Virginia Commonwealth University/ Medical College of Virginia School of Dentistry in 1988. He currently serves as a part time faculty member at the School of Dentistry in the resident training program for cosmetic and reconstruction cases. He is a member of the Virginia Dental Association, the American Academy of Cosmetic Dentistry, as well as many different educational study groups. Also, Dr. Cranham lectures extensively across the United States to other dentists on contemporary cosmetic dentistry.

Dr. Cranham is recognized among his peers and in the community for his ability to provide the latest techniques in dentistry using the latest equipment and materials available. He is truly an artist at creating and preserving beautiful smiles.

We look forward to meeting you and spoiling you with our exceptional treatment. You deserve it!
